ABOUT ME

Hey there! I'm Dipen Chhatrola, I am currently working as a Software Developer at Torridwave Technologies, where I contribute to the design, development, and deployment of scalable software solutions. Passionate about continuous learning, I stay updated with the latest technologies and best practices to bring innovation and efficiency into every project I work on.

EXPERIENCE

Software Developer

Jan 2025 - Present

Torridwave Technologies

Proven ability to leverage the Microsoft Power Platform (Power Apps, Power Automate, Dataverse, Power BI) to streamline processes, enhance productivity, and deliver innovative solutions that meet diverse business needs. Adept at collaborating with stakeholders to translate complex requirements into intuitive and efficient low-code/no-code applications.

Junior Data Analyst

Jul 2024 - Jan 2025

Ace Software Exports Limited

Entry-level Data Analyst with a solid grasp of data collection, cleaning, analysis, and visualization. Possesses strong problem-solving abilities and a keen eye for detail, committed to transforming raw data into actionable intelligence.

React.js Developer

Jan 2024 - May 2024

Imbuesoft

A passionate React.js developer with 4 month of experience in web development, I've honed my skills in building dynamic and interactive front-end applications using React.js. I passion for creating dynamic, user-friendly websites. I specialize in front-end development and love working with React and other modern web technologies.
